

BYSTANDER PLEDGE

I make this pledge to honor the following people in my life:

Because I know:

Sexual violence, domestic/dating violence, stalking and harassment will
impact the lives of those I love.

Reducing the number of victims requires a change in our community.

I am a part of establishing social norms in my community.

Others will observe my choices and follow my lead.

I pledge to

Find a way to intervene or get help in any situation dangerous
situation that I see.

Regularly and openly endorse the values of respect, safety, victim support
and intolerance of all forms of violence.

Change anything I may be doing that contributes to sexual violence,
domestic/dating violence, stalking and harassment.

Support and encourage the people in my life to take responsibility
for ending all forms of violence.

Believe and support anyone who has experienced any form of violence.
